

## **Year 11 into 12 Transition Work for Btec Computing Double**

- Go this web page: <http://bteccomputing.co.uk/year-11-into-12-preparatory-work>

On this web page, you will find around fifteen hours of work, covering “Web application development”. This is core content for the first external exam, and you are expected to complete it fully prior to the first lesson in September. If you have any problems with the work or need any clarification, please contact Mr C Koncewicz:
